

# Fit the Phrase

Play with a friend—or a group. First ask for words that fit the definition under the blanks. When you fill in all the blanks with their suggestions, read the completed story out loud. You can make up your own silly stories, too.

One bright, sunny day \_\_\_\_\_  
YOUR NAME decided to go to the park for a picnic with some friends. They packed the picnic basket with healthy fruits and vegetables and a few bottles of water to make sure everyone stayed hydrated under the hot sun. They also brought their sneakers and sports equipment so they could all play a game of \_\_\_\_\_.  
SPORT

One day at school, \_\_\_\_\_  
YOUR TEACHER'S NAME let the class play outside for recess. Everyone had so much fun swinging on the swings and playing on the monkey bars. Some children even \_\_\_\_\_  
VERB (PAST TENSE) in the grassy field or had a catch with the baseball. After a while, it was time to come back inside.

"OK class!" \_\_\_\_\_  
YOUR TEACHER'S NAME announced. "It's time for \_\_\_\_\_,  
SCHOOL SUBJECT and then after that we'll have snack time! But first we all need to wash our hands "The students waited in line at the sink to wash their hands with warm water and the \_\_\_\_\_-scented soap.  
A SMELL They made sure to use paper towels to dry their hands. After their math lesson, the class was hungry and ready for snack time. \_\_\_\_\_  
A FRIEND'S NAME sat down at a table with some friends. All of a sudden, \_\_\_\_\_  
A FRIEND'S NAME (SAME AS BEFORE)

sneezed and covered his/her mouth with his/her hands.

Then s/he reached out to grab a cookie.

"Wait! You should wash your hands again,"

\_\_\_\_\_ said.  
YOUR NAME

"But I already washed my hands," \_\_\_\_\_  
A FRIEND'S NAME (SAME AS BEFORE) replied.

"I know, but you should always wash your hands after coughing or sneezing," \_\_\_\_\_  
YOUR NAME said. "Otherwise you might spread your germs and other people might get sick! If someone gets sick, they might have to miss \_\_\_\_\_  
A LARGE NUMBER days of school."

"I never thought about that," \_\_\_\_\_  
A FRIEND'S NAME (SAME AS BEFORE) said thoughtfully. Then s/he got up to wash his/her hands, making sure to dry them completely after. Then s/he \_\_\_\_\_  
ADVERB threw the used paper towel into the waste basket.

"Here is a pack of tissues for next time. Then you won't have to use your hands and you won't spread your germs!" \_\_\_\_\_  
YOUR NAME handed his/her friend some tissues, and then they all shared a delicious snack of \_\_\_\_\_.
